

Unlock Your Potential with a WSSU Graduate Degree

The graduate programs at Winston-Salem State University, the #1 HBCU in the Nation for Social Mobility and #2 HBCU in the United States for Value (*Money* magazine), will help you become an empowered and prepared leader in your field. Here, you'll find a supportive and welcoming environment along with high-value, career-focused academics – at one of the most affordable schools in the country. We offer flexible formats with online and evening options for working professionals.

Choose Your Path

Master of Arts in Teaching

Build on your four-year, non-education degree by obtaining your teacher's license. Concentrations include birth-kindergarten, elementary, middle grades, special education and health and physical education.

Master of Business Administration

Enhance your career with our online MBA, designed for working professionals. All courses are offered in the evening.

Master of Healthcare Administration

If you have a mind for business and a heart for healthcare, pursue your MHA and start making a positive impact. This program is delivered 100% online and does not require GMAT or GRE scores.

Master of Science in Computer Science and Information Technology

Jump-start your career with a hybrid program that combines a traditional computer science core and applied courses in IT.

Master of Science in Nursing

This program offers part- and full-time formats and allows graduates to change career focus, move up in their organization or become a nursing instructor.

Master of Science in Occupational Therapy

Become clinically, professionally and culturally competent with our hands-on occupational therapy graduate program. You'll learn from experienced faculty and immerse yourself in diverse community experiences.

Master of Science in Rehabilitation Counseling

Choose from five 100% online concentrations in rehabilitation counseling, clinical mental health counseling, deaf and hard of hearing, transition or vocational evaluation. Then start making a real difference in the lives of your community members.

Doctor of Nursing Practice

Become a more influential health leader by building on your bachelor's or master's in nursing. Some DNP courses are offered in convenient online formats.

Doctor of Physical Therapy

Advance your physical therapy career with a doctorate. We have a 100% licensure board pass rate and are considered the #1 school in North Carolina for Black health graduates.

Transitional Doctor of Physical Therapy

Earn your doctorate as you continue working. This affordable, 100% online program is designed for those who hold a bachelor's or master's in physical therapy.

Graduate Certificates

Computer Programming, Family Nurse Practitioner, Nurse Educator, Post Graduate Advanced Nurse Educator

Ready to Apply?
